

DESIGN STANDARDS
BURNT HICKORY LAKES

1. AUTHORITY. This DESIGN STANDARDS document is promulgated pursuant to authority granted to the Architectural Control Committee (hereafter referred to as the "ACC") of the Burnt Hickory Lakes development (hereinafter referred to as the "Development") under Section 5.04(b) of the Burnt Hickory Lakes Declaration of Covenants, Restrictions and Easements, recorded in Deed Book 5510, pages 44, Cobb County, Georgia records as amended (hereinafter referred to as the "Declaration"). The requirements of these Design Standards shall be in addition to and not in lieu of the requirements and provisions of the Declaration.

2. PURPOSE. Plans must be submitted to and approved by the ACC pursuant to the Declaration and these Design Standards for the sole and exclusive purpose of assuring that all structures within the Development are in conformity and harmony of external design with existing standards of the neighborhood.

3. DEFINITIONS. The words "Structure", "Owner" and "Lot" as used herein shall have the same meaning as such words have in the Declaration.

4. SUBMISSION OF PLANS.

A. Two (2) sets of blueprints for the proposed house must be submitted for approval on each Lot.

B. Any change in the approved plans must be resubmitted for approval.

5. CONSTRUCTION.

A. After approval by the ACC of the plans for any Structure and prior to the commencement of any construction or grading on the Lot for which such plans were approved, the location of such Structure shall be clearly marked on such lot. After such marking, the Owner or the Owner's contractors shall request in writing that a representative of the ACC inspect the proposed location of the Structure. Within a reasonable time after receipt of such written request, the ACC shall: 1) inspect the proposed location of the Structure as marked on the Lot, and 2) notify the Owner in writing of its approval or disapproval of the proposed location of the Structure. In any case in which the ACC shall disapprove the proposed location, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accomplished by a statement of the grounds upon which such action is based. In any case the ACC shall, if requested, make reasonable efforts to

assist and advise the applicant in order that an acceptable location may be marked and submitted for approval. In no event shall the Owner allow any grading or cutting of trees on the Lot prior to approval of the proposed location by the ACC.

B. During approved construction, all vehicles in any way connected with such construction shall enter the Lot or Lots under construction only by the driveway as approved in the plans and specifications by the ACC. In no event shall any driveways other than those approved by the ACC be constructed or used for temporary access to any Lot. All vehicles shall be parked at the Lot to avoid damage to trees, paving, curbs, gutters and any other improvements on the Lot.

C. All stumps and brush are to be removed from Lots prior to foundation construction. Construction debris shall be removed as often as necessary to keep the Lot and any Structure thereon attractive. Construction debris shall not be dumped in any area of the Development unless approved in writing by the ACC.

D. Lots shall be graded in such a manner so as not to block any natural or manmade swales, ditches or drainage structures. Earth and hay berms shall be installed on Lots by the Owner hereof when, in the opinion of the ACC, such Lot may erode due to topography. Whenever possible, Lots shall drain independently rather than to adjoining Lots. All downspouts shall be piped to the rear of the lot or to the street.

6. DESIGN.

A. Minimum House Size. No single family residential Structure shall be located on any Lot unless said Structure shall meet or exceed the minimum square feet (heated living area) requirement established by the county's zoning ordinance applicable to this subdivision.

B. Set Backs. Building area set backs shall be within the recommended building lines indicated on the recorded subdivision plats of the Development, provided however, that less restrictive set backs may be approved by the ACC if an exception is requested when plans are submitted to the ACC for approval. In no event shall the set backs be less than those required by the Cobb County Subdivision Ordinance.

C. Houses on Slab. Unless otherwise approved by the ACC, all slab houses must be on a "built-up" slab with a minimum of one step, preferably two steps, up from the finished walkway to the interior finished floor elevation.

The exterior of the concrete block foundation shall be veneered with brick, stone or stucco, depending on the exterior material of the main house.

D. Foundations. All houses must have brick, stone or stucco foundations, as applicable to the material of each individual house, including around chimney stacks. All such foundation material shall be painted to match the exterior of the house.

E. Chimney Stacks. Chimney stacks on front or sides of houses may not be cantilevered and hang in the air. They must sit on foundations veneered with brick or stone as applicable to the material of each individual house. Drive-under houses must have a built-out shed roof at the side of the house which can function as a chimney base. All chimney tops, whether brick, stucco, or siding chimneys must be topped with a metal shroud painted black.

F. Garages. The orientation and location of garages should be determined in relation to topography, trees and building lines in conjunction with overall house approval. All houses must be pre-wired for automatic closing devices for the garage doors, and some houses may be required to install such closing devices. The determination of such installation shall be made by the ACC. Garage doors shall be coordinated with all structures on the lot and materials and colors for such doors shall be specified on the plans submitted to the ACC for approval.

G. Windows, Doors and Screens. Aluminum windows and doors on the front and sides of houses will not be approved. However, storm windows and doors are acceptable provided they are factory painted or anodized in a color to be approved by the ACC. At the rear of houses, aluminum sliding doors are acceptable provided they are factory painted or anodized, color to be approved by ACC. Silver finished aluminum doors, windows, or screens are not acceptable

H. Exterior Colors and Materials. Exterior colors and materials on all houses shall be specified in the plans submitted to the ACC for approval and shall be subject to the color and material guidelines contained in Appendix A of these Design Standards. Should a builder or homeowner wish to make changes in these scheduled color schemes or design their own colors, this may be done only by consulting with the ACC in order to achieve a well-coordinated color scheme throughout the community.

I. Roof. Roofing material and color shall be specified in the plans submitted to the ACC for approval, and shall be subject to the color and material guidelines contained in Appendix A of these Design Standards. No plumbing or heating vent shall penetrate roof surfaces which face the street or street adjacent to the residential structures. All roof stacks and flashing must be painted to blend with roof color.

J. Driveways. Driveways shall be constructed with natural color concrete. However, other hard surface material may be considered by the ACC if an exception is requested when plans are submitted to the ACC for approval. Existing trees, topography and landscape planning should be taken into consideration. Where possible, driveways should curve.

K. Landscaping. A written plan of landscaping must be submitted to the ACC prior to installation of any materials. This plan should include a drawing to show location, variety and size of all plant materials, as well as location and description of all "hardscape" items such as fences, walls, rocks and so forth. Landscaping shall be completed in accordance with approved plans no later than thirty (30) days after: (1) final inspection by the Cobb County building inspector, or (2) occupancy of residential structure, whichever is earlier.

In the case of existing homes, proposed changes and additions in landscaping must be submitted in detail as set out above. A time frame for completion shall be agreed upon between the ACC and the homeowner.

L. Pools and Spa Equipment. Plans for proposed swimming pools, hot tubs, surrounding decks, fencing and screening must be submitted for approval before any clearing, grading or construction is commenced. Above-ground pools are prohibited.

M. Antennae. No exterior television or radio antennae or satellite dish or receiver of any sort shall be placed, allowed or maintained upon any portion of a Structure or Lot without prior written approval by the ACC. No antennae shall be installed or used for the purpose of transmitting or electronic signals. The intent of this paragraph is to prohibit installation of the above mentioned structures.

N. Mailboxes. All mailboxes must be a black standard U.S. Postal Office mailbox, size 1 1/2. All mailboxes must be mounted on the standard post as approved by the ACC.

O. Basketball Backboards. Basketball backboards are acceptable subject to ACC approval of the location and colors of both sides of said backboard and post.

P. Prefabricated Structures. Prefabricated or factory built structures shall not be permitted within the Development, and such manufactured units shall not be employed as elements in the construction of residential structures affixed to real property within the Development except by express written consent of the ACC.

Q. Signs. (1) All signs are subject to Section 6.08 of the Declaration. (2) The number of temporary signs (i.e., garage, lawn sales, etc.) must be kept to a minimum and may be put up no sooner than 24 hours in advance of a sale. Signs must be removed promptly after a sale has ended. No sign may be placed on the common property or the entrance areas to the Development.

R. Docks. Private docks shall not be permitted on any of the lakes within the property.

The Covenants, Restrictions and Easements set forth herein shall run with the Property, and shall be binding on all parties having or acquiring any right, title or interest in the Property or any part thereof, and shall, subject to the limitations herein provided, inure to the benefit of each Owner, his heirs, grantees, distributees, successors and assigns and to the benefit of the Association.

3.01 Purposes, Powers and Duties of The Association. The Association shall be formed as a non-profit civic organization for the sole purpose of performing certain functions for the common good and general welfare of the people of the Development. The Association shall have no power or duty to do or perform any act or thing other than those acts and things which will promote in some way the common good and general welfare of the people of the Development. To the extent, and only to the extent, necessary to carry out such purpose, the Association (a) shall have all of the powers of a corporation organized under the Georgia Nonprofit Corporation Code and (b) shall have the power and duty to exercise all of the rights, powers and

privileges and to perform all of the duties and obligations of the Association as set forth in this Declaration.

3.02 Membership in the Association. Every Owner shall automatically be a member of the Association and such membership shall terminate only as provided in this Declaration of Covenants, Restrictions and Easements. For purposes of voting, there shall be two (2) classes of Members as set forth in Section 3.03.

3.03 Voting Rights.

(a) Each Owner of a Residence, with the exception of Declarant, shall be a Class A Member and shall be entitled to one (1) Class A vote per Residence. Where such Owner is a group or entity other than one individual person, the vote on behalf of such Owner shall be exercised only by such individual person as shall be designated in a proxy instrument duly executed by or on behalf of such group or entity and delivered to the secretary of the Association.

(b) The Declarant shall be the sole Class B Member and shall be entitled to three (3) votes for each Lot or Residence owned; provided, however, in no event shall the Class B Member have less than the total number of Class A votes plus one (1). The Class B Membership shall cease and be converted to Class A Membership at such time as Declarant no longer retains the right to appoint and remove members of the Board and officers of the Association pursuant to Section 3.08 below.

(c) The Development will be composed of Lots to be developed in phases containing unequal numbers of Lots. Each such phase will be platted of record in the Office of the Clerk of the Superior Court of Cobb County in accordance with Article X of this Declaration. The Declarant shall notify the Association in writing when the final phase of the Development has been so platted of record. By acceptance of a deed conveying a Lot, each Owner acknowledges that, upon the filing by Declarant of the subdivision plats covering such phases, the total votes outstanding in the Association will automatically increase based upon the number of Lots in the phases added and in accordance with the formula set forth in subsection (b) of this Section 3.03 and in no event shall Class B Membership cease and be converted to Class A Membership (as provided in subsection (b) of this Section 3.03) until after the Association receives the written notice provided for in the preceding sentence; provided, however, nothing contained herein shall obligate the Declarant to develop any proposed phase of the Development unless such phase is subjected to this Declaration.

3.04 Board of Directors. The affairs of the Association shall be managed by a Board of Directors. The number of Directors and the method of election of Directors shall be as set forth in the By-Laws of the Association.

3.05 Suspension of Membership. The Board may suspend the voting rights of any Member and the right of enjoyment of the Common Property of any person who:

(a) shall be subject to the Right of Abatement, as defined in Section 8.02 by reason of having failed to take the reasonable steps to remedy a violation or breach of either the Restrictions or the Design Standards of the ACC (as herein defined) within thirty (30) days after having received notice of the same pursuant to the provisions of Section 5.11, 6.14 or 8.02 hereof;

(b) shall be delinquent in the payment of any assessment levied by the Association pursuant to the provisions of Article IV hereof; or

(c) shall be in violation of the rules and regulations of the Association relating to the use, operation and maintenance of Common Property. Such suspension shall be for the balance of the period in which said Member or person shall remain in violation, breach or default, as aforesaid, except that in the case of a violation described in subsection (c) of this Section 3.05, the suspension may be for a period not to exceed 60 days after the cure or termination of such violation. No such suspension shall prevent an Owner's ingress to or egress from his Lot.

3.06 Termination of Membership. Membership shall cease only when a person ceases to be an Owner.

3.07 Voting Procedures. The procedures for the election of Directors of the Association and the resolution of such other issues as may be brought before the membership of the Association shall be governed by this Declaration, the Georgia Nonprofit Corporation Code, the Articles of Incorporation of the Association, and the By-Laws of the Association, as each shall from time to time be in force and effect.

3.08 Control by Declarant.

(a) Notwithstanding any other language or provision to the contrary in this Declaration, in the Articles of Incorporation, or in the Bylaws of the Association, Declarant hereby retains the right to appoint and remove any members of the Board of the Association and any officer or officers of the Association until 15 days after the first of the following events shall occur: (i) the expiration of twenty (20) years after the date of the recording of this Declaration; (ii) the date upon which three-fourths (3/4) of the Residences intended by Declarant to be a part of the Development have been conveyed by Declarant to Owners other than a person or persons constituting Declarant; or (iii) the surrender by Declarant of the authority to appoint and remove directors and officers by an express amendment to this Declaration executed and recorded by Declarant, provided, however, that the Owners shall be entitled to elect certain members of the Board of the Association in accordance with the terms

of the By-Laws of the Association which shall not be removable by the Declarant acting alone.

(b) Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of this Section, such right shall automatically pass to the Owners, including Declarant if Declarant then owns one or more Lots; and a special meeting of the Association shall be called at such time. At such special meeting the Owners shall elect a new Board of Directors which shall undertake the responsibilities of the Board and Declarant shall deliver the books, accounts, and records, if any, which Declarant has kept on behalf of the Association and any agreements or contracts executed by or on behalf of the Association during such period which Declarant has in its possession. Each Owner by acceptance of a deed to or other conveyances of a Lot vests in Declarant such authority to appoint and remove directors and officers of the Association as provided in this Section. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law and any other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

ARTICLE IV
ASSESSMENTS

4.01 Covenant for Assessments and Creation of Lien and Personal Obligation. Each Owner of a Residence, jointly and severally, for himself, his heirs, distributees, legal representatives, successors and assigns, by acceptance of a deed for a Residence, whether or not the covenants contained herein shall be expressed in any such deed, hereby covenants and agrees as follows:

(a) to pay to the Association the annual assessments which may or shall be levied by the Association pursuant to this Declaration against all Residences owned by him;

(b) to pay to the Association any special assessments for capital improvements and other charges which may or shall be levied by the Association pursuant to this Declaration against all Residences owned by him;

(c) that there is hereby created a continuing charge and lien upon all Residences owned by him against which all such assessments are made to secure payment of such assessments and any interest thereon as provided in Section 4.09 hereof and costs of collection including reasonable attorneys' fees;

(d) that such continuing charge and lien on such Residence binds such Residence in the hands of the then Owner, and the Owner's heirs, devisees, legal representatives, successors and assigns. Such charge and lien

is superior to any and all charges, liens or encumbrances which may hereafter in any manner arise or be imposed upon such Lots whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, deed to secure debt, or other instrument, except (i) such liens for taxes or other public charges as are by applicable law made superior, and (ii) all deeds to secure debt given to secure a loan the proceeds of which are used (1) to purchase a Residence or Residences (together with any and all Structures which may from time to time be placed or located thereon) and (2) to finance the construction repair or alteration of Structures.

(e) that no sale or transfer at foreclosure or in lieu of foreclosure shall relieve any Residence from liability for any assessment thereafter assessed;

(f) that all annual, special and specific assessments (together with interest thereon as provided in Section 4.09 of this Declaration and costs of collection including reasonable attorneys' fees) levied against any Residence owned by him during the period that he is an Owner shall be (in addition to being a continuing charge and lien against such Residence as provided in Section 4.01(c) of this Declaration) a personal obligation which will survive any sale or transfer of the Residence owned by him; provided, however, that such personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed by such successor.

4.02 Purpose of Assessment. The assessments levied by the Association shall be used exclusively for the purpose of providing for the common good and general welfare of the people of the new community of the Development, including, but not limited to, security, the acquisition, construction, improvement, maintenance and equipping of Common Property, the enforcement of the Restrictions contained in this Declaration, the enforcement of the Design Standards of the ACC, the payment of operating costs and expenses of the Association and the payment of all principal and interest when due on all debts owed by the Association.

4.03 Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all the sums collected in such year by way of annual assessments or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessments in any succeeding year, but may carry forward from year to year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

4.04 Annual Assessment.

(a) Beginning on the Commencement Date and continuing thereafter until January 1 of the year immediately following the Commencement

Date, each Lot shall be subject to an annual assessment of Three Hundred Ninety (\$390.00) Dollars per Residence. In the event that the Commencement Date falls on a day other than January 1, the annual assessment for such year shall be prorated so that each Owner pays an annual assessment proportional to the number of days remaining in the calendar year. The words "Assessment Year" as used herein shall mean the calendar year with the first Assessment Year commencing on January 1 of the year immediately following the Commencement Date. For so long as Declarant has the right to appoint and remove Directors and Officers of the Association, the annual assessment shall not be reduced below \$360.00 without the express written consent of Declarant.

(b) Commencing with the first Assessment Year and continuing thereafter, the annual assessment may be increased at any time and from time to time during each Assessment Year not more than ten percent (10%) above the annual assessment for the previous Assessment Year without a vote of the Membership.

(c) Commencing with the first Assessment Year and continuing thereafter, the annual assessment for each Assessment Year may at any time and from time to time be increased more than ten percent (10%) above the maximum annual assessment for the previous Assessment Year if such increase is approved by a two-thirds (2/3) vote of the Members of the Association who are present in person or by proxy and voting at a meeting of Members duly held in accordance with the provisions of the By-Laws of the Association and this Declaration.

4.05 Special and Parcel Assessments.

(a) In addition to the annual assessments authorized by this Article IV, the Association may levy, in any Assessment Year and with such frequency as the Association shall deem necessary, special assessments for the purpose of paying, in whole or in part, any unanticipated operating expenses, as well as the cost of any construction, reconstruction, repair or replacement of a capital improvement on the Common Property. Such special assessments may be levied by the Board in any Assessment Year without the approval of the members, which special assessments in the aggregate do not exceed an amount equal to the annual assessment then in effect. Special assessments exceeding said amount shall require the approval of two-thirds (2/3) of the Members of the Association who are present in person or by proxy at a meeting of Members duly held in accordance with the provisions of the By-Laws of the Association and this Declaration.

(b) The Association shall also be authorized to levy, in any Assessment Year and with such frequency as the Association shall deem necessary, Parcel Assessments for the purpose of paying, in whole or in part, the cost of estimated expenses for the sole benefit of a particular Parcel, which Parcel Assessments shall be allocated equally among the Residences in a Parcel.

4.06 Assessment Procedure.

(a) The Board shall establish the annual assessment for each Assessment Year at an amount not in excess of the maximum annual assessment as determined by the provisions of this Article IV, and shall also establish the date during the Assessment Year on which the annual assessment shall be due and payable (such date is hereinafter referred to as the "Due Date"). The Board shall also establish an annual budget which shall list the estimated operating expenses and shall contain an amount to be set aside each year into a reserve allowance to be used for future repair and replacement of the Common Property; provided, however, in no event shall the Board be required to provide for a reserve sufficient to cover all such future repair and replacement of the Common Property, it being intended that portion of such costs will be covered by Special Assessment. The Board shall cause the Association to send to each Owner at least thirty (30) days in advance of the Due Date written notice setting forth the amount of the annual assessment and the Due Date. The annual assessment shall become due on the thirtieth (30th) day following such written notice or the Due Date, whichever is later. The Board may establish reasonable payment procedures to allow or require payment of the annual assessment in installments during the Assessment Year. The Board shall also establish payment procedures for payment of any special assessments for capital improvements which may be levied in accordance with the provisions of this Article IV.

(b) All Members of the Association shall be given written notice by the Board not less than thirty (30) nor more than sixty (60) days in advance of any meeting of the Members of the Association at which the Board shall propose taking action pursuant to Section 4.04(c) and Section 4.05 of this Article IV. Such written notice shall specify under which Section or Sections the Board will propose action. At such meeting, the presence of Members or of proxies entitled to cast fifty percent (50%) of the total votes outstanding shall constitute a quorum. If the required quorum is not present at such meeting, a second meeting may be called by the Board subject to the same notice requirement, and the required quorum at such second meeting shall be thirty percent (30%) of the total votes outstanding. No such second meeting shall be held more than sixty (60) days following the first meeting. If the required quorum is not present at the second meeting, the Board may take such action without approval of the Members.

4.07 Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Residences.

4.08 Contribution By Declarant. For so long as Declarant has the authority to appoint and remove Directors and Officers of the Association, Declarant shall not be liable for the payment of any assessments. Provided, however, during said period Declarant shall advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for

the reserve allowance), and the sum of annual, special and specific assessments collected by the Association in any Assessment Year, and such advances shall be evidenced by promissory notes from the Association to Declarant.

4.09 Effect of Nonpayment of Assessments. Any Assessment which is not paid on or before the Due Date shall bear interest after the Due Date at the lower of the highest legal rate of interest which can be charged or the rate of eighteen percent (18%) per annum or at such rate as the Board may from time to time establish, provided, however, that in no event shall the Board have the power to establish a rate of interest in violation of the laws of the State of Georgia. In the event of default in the payment of any one or more installments of an assessment, the Board may declare any remaining balance of the assessment at once due and payable. In the event that an owner shall fail to pay fully any portion of any assessment prior to the date on which payment is due, such unpaid portion (including any remaining balance declared immediately due and payable in accordance with the preceding sentence), together with interest and costs of collection including reasonable attorneys' fees, shall be a binding personal obligation of such Owner, as well as a lien on such Owner's Residence enforceable in accordance with the provisions of this Declaration.

4.10 Certificate of Payment. Upon written demand by an Owner, the Association shall within a reasonable period of time issue and furnish to such Owner a written certificate stating that all assessments (including penalties, interest and costs, if any) have been paid with respect to any Lot owned by said Owner as of the date of such certificate, or that all assessments, interest and costs have not been paid, setting forth the amount then due and payable. The Association may make a reasonable charge for the issuance of such certificate. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with regard to any matter therein stated as between the Association and any bona fide purchaser of, or lender on, the Lot in question.

4.11 Approval by Declarant. Notwithstanding anything to the contrary contained herein, no special assessment shall be made without the Approval of Declarant for so long as Declarant has the right to appoint officers and directors of the Association.

4.12 Specific Assessments. The Board shall have the power to specifically assess pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. The Board may specifically assess Owners for the following expenses, except for expenses incurred for maintenance and

repair of items which are the maintenance responsibility of the Association as provided herein:

(a) Expenses of the Association which benefit less than all of the Residences, which may be specifically assessed equitably among all of the Residences which are benefitted according to the benefit received;

(b) Expenses incurred by the Association pursuant to Section 6.14 hereof; and

(c) Reasonable fines as may be imposed in accordance with the terms of the Declaration and By-Laws.

ARTICLE V
ARCHITECTURAL CONTROL

5.01 Architectural Control Committee - Creation and Composition.

(a) An Architectural Control Committee (the "ACC") shall be established consisting of not less than three (3) or more than five (5) individuals, provided, however, that the ACC shall always have an uneven number of members. Notwithstanding anything to the contrary contained herein, Declarant shall have the right, but not the obligation, to appoint all members of the ACC until the plans for all of the Residences for all of the Lots in the Development have been approved by the ACC. Thereafter, the Board shall appoint the members of the ACC. All costs of operating the ACC, may, at the discretion of Declarant, be borne by the Association.

(b) Each initial member of the ACC shall be appointed for a term expiring on December 31, 1990. Thereafter each member of the ACC shall be appointed for a calendar-year term. If any vacancy shall occur in the membership of the ACC by reason of death, incapacity, resignation, removal or otherwise, the remaining members of the ACC shall continue to act and such vacancy shall subject to the provisions of 5.01(a) be filled by the Declarant (or Board if at the time the Board has the right to appoint members of the ACC) at the earliest possible time. Any ACC member may resign at any time by giving written notice of such resignation to the Chairman of the ACC and such resignation shall take effect on receipt thereof by the Chairman. Any member of the ACC may be removed at any time with or without cause by the Declarant (or Board if at the time the Board has the right to appoint members of the ACC).

5.02 Purpose, Powers and Duties of the ACC. The purpose of the ACC is to assure that any installation, construction or alteration of any Structure on any Lot shall be submitted to the ACC for approval (i) as to whether the proposed installation, construction or alteration is in conformity and harmony of external design and general quality with the existing standards of the neighborhood and with the standards of the Burnt Hickory Lakes

Development, and (ii) as to the location of Structures with respect to topography, finished ground elevation and surrounding Structures. To the extent necessary to carry out such purpose, the ACC shall have all of the powers and duties to do each and every thing necessary, suitable, convenient or proper for, or in connection with, or incidental to, the accomplishment of such purpose, including, without being limited to, the power and duty to approve or disapprove plans and specifications for any installation, construction or alteration of any Structure on any Lot.

5.03 Officers, Subcommittees and Compensation. The members of the ACC shall appoint a Chairman from among their number and may appoint from among their number such other officers and subcommittees of members of the ACC as they shall from time to time determine necessary. The members of the ACC shall be reimbursed by the Association for traveling expenses and other reasonable out-of-pocket costs incurred in the performance of their duties as members of the ACC.

5.04 Operations of the ACC.

(a) Meetings. The ACC shall hold regular meetings at least once every three (3) months or more often as may be established by the ACC. Special meetings may be called by the Chairman and shall be called by the Chairman upon the written request of a majority of the members of the ACC then in office. Regular and special meetings of the ACC shall be held at such time and at such place as the ACC shall specify. Notice of each regular or special meeting of the ACC shall be mailed to each member thereof at his residence or at his usual place of business at least three (3) days before the day the meeting is to be held. Notice of regular and special meetings need not specify the purpose or purposes for which the meeting is called. Notice of a meeting need not be given to any member of the ACC who signs a waiver of notice either before or after the meeting. Attendance of a member of the ACC at a meeting shall constitute a waiver of notice of such meeting and shall constitute a waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except when the member states, at the beginning of the meeting, any such objection or objections to the transaction of business. At each meeting of the ACC, the presence of a majority of the members then in office shall constitute a quorum for the transaction of business. Except as otherwise provided herein, the act of a majority of the members of the ACC present at any regular or special meeting thereof at which a quorum is present shall constitute the act of the ACC. In the absence of a quorum, any member of the ACC present at the time and place of the meeting may adjourn the meeting from time to time until a quorum shall be present. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally called. The ACC shall maintain both a record of votes and minutes for each of its meetings. The ACC shall make such records and minutes available at reasonable places and times for inspection by Members of the Association and by the Secretary. Any action

required to be taken at a meeting of the ACC, or any action which may be taken at a meeting of the ACC, may be taken without a meeting if written consent, setting forth the action so taken, shall be signed by all the members of the ACC and be filed within the minutes of the proceedings of the ACC. Such consent shall have the same force and effect as a unanimous vote, and may be stated as such in any document filed by the ACC.

(b) Activities.

(i) The ACC shall adopt and promulgate the Design Standards described in Section 5.05 hereof and shall, as required, make findings determinations, rulings, and orders with respect to the conformity with said Design Standards of plans and specifications to be submitted for approval to the ACC pursuant to the provisions of this Declaration. The ACC shall, as required, issue permits, authorizations or approvals, which may include specified requirements or conditions, pursuant to the provisions of this Declaration.

(ii) Any two (2) or more members of the ACC may be authorized by the ACC to exercise the full authority of the ACC with respect to all matters over which the ACC has authority as may be specified by resolution of the ACC, except with respect to the adoption or promulgation of the Design Standards. The unanimous action of the two (2) or more members with respect to the matters specified shall be final and binding upon the ACC and upon any applicant for an approval, permit or authorization, subject, however, to review and modification by the ACC on its own motion or appeal by the applicant to the ACC as provided in this paragraph (ii). Written notice of the decision of such two (2) or more members shall, within five (5) working days thereof, be given to any applicant for an approval, permit or authorization. The applicant may, within ten (10) days after receipt of notice of any decision which he deems to be unsatisfactory, file a written request to have the matter in question reviewed by the ACC. Upon the filing of any such request, the matter with respect to which such request was filed shall be submitted to, and reviewed promptly by, the ACC, but in no event later than thirty (30) days after the filing of such request. The decision of a majority of the members of the ACC with respect to such matter shall be final and binding.

5.05 Design Standards.

(a) The ACC shall from time to time adopt, promulgate, amend, revoke and enforce guidelines (the "Design Standards") for the purposes of:

(i) governing the form and content of plans and specifications to be submitted to the ACC for approval pursuant to the provisions of this Declaration;

(ii) governing the procedure for such submission of plans and specifications;

(iii) establishing guidelines with respect to the approval and disapproval of design features, architectural styles, exterior colors and materials, details of construction, location and size of Structures and all other matters that require approval by the ACC pursuant to this Declaration; and

(iv) assuring the conformity and harmony of external design and general quality of Burnt Hickory Lakes Development.

(b) The ACC shall make a published copy of its current Design Standards readily available to Members and prospective Members of the Association and to all applicants seeking the ACC's approval.

5.06 Submission of Plans and Specifications. No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance of the Structure or Lot, unless plans and specifications therefor shall have been submitted to and approved in writing by the ACC. Such plans and specifications shall be in such form and shall contain such information as may be reasonably required by the ACC in the Design Standards, including, without being limited to:

(a) a site plan showing the location of all proposed and existing Structures on the Lot including building setbacks, open space, driveways, walkways and parking spaces including the number thereof and all siltation and erosion control measures;

(b) a foundation plan;

(c) a floor plan;

(d) exterior elevations of all proposed Structures and alterations to existing Structures, as such Structures will appear after all back-filling and landscaping are completed;

(e) specifications of materials, color scheme, lighting scheme and other details affecting the exterior appearance of all proposed Structures and alterations to existing Structures; and

(f) plans for landscaping and grading.

5.07 Approval of Plans and Specifications. Upon approval by the ACC of any plans and specifications submitted pursuant to this Declaration, two (2) copies of such plans and specifications, as approved, shall be deposited for permanent record with the ACC and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot or Structure of any plans and specifications shall not be deemed a waiver of the ACC's

right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot or Structure. Approval of any such plans and specifications relating to any Lot or Structure, however, shall be final as to that Lot or Structure and such approval may not be revoked or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

5.08 Disapproval of Plans and Specifications. The ACC shall have the right to disapprove any plans and specifications submitted pursuant to this Declaration because of any of the following:

(a) the failure to include information in such plans and specifications as may have been reasonably requested;

(b) the failure of such plans or specifications to comply with this Declaration or the Design Standards;

(c) any other matter which, in the judgment of the ACC, would be likely to cause the proposed installation, construction or alteration of a Structure (i) to fail to be in conformity and harmony of external design and general quality with the standards for Burnt Hickory Lakes Development as set forth in the Design Standards or the Development-Wide Standard, or (ii) as to location to be incompatible with topography, finished ground elevation and surrounding Structures. In any case in which the ACC shall disapprove any plans and specification submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case the ACC shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal may be prepared and submitted for approval.

5.09 Obligation to Act. The ACC shall take action on any plans and specifications submitted as herein provided within thirty (30) days after receipt thereof. Approval by the ACC, if granted, together with any conditions imposed by the ACC, shall be placed in writing on the plans and specifications and shall be returned to the applicant. Failure by ACC to take action within thirty (30) days of receipt of plans and specifications submitted for approval shall be deemed approval of such plans and specifications.

5.10 Inspection Rights. Any employee or agent of the Association or the ACC may, after reasonable notice, at any reasonable time or times enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this

Declaration; and neither the Association, nor the ACC, nor any such agent shall be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection, provided such inspection is carried out in accordance with the terms of this Section.

5.11 Violations. If any Structure shall be erected, placed, maintained or altered upon any Lot, otherwise than in accordance with the plans and specifications approved by the ACC pursuant to the provisions of this Article, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the ACC such violation shall have occurred, the ACC shall notify the Association and the Board shall take appropriate measures to correct the violation; the Board shall provide written notice to the Owner by certified mail, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the mailing of the aforesaid notice of violation, then the Association shall have the Right of Abatement as provided in Section 8.02 hereof.

5.12 Certification of Compliance.

(a) Upon completion of the installation, construction or alteration of any Structure in accordance with plans and specifications approved by the ACC, the ACC shall, upon written request of the Owner thereof or upon the ACC's own initiative, issue a Certificate of Compliance, identifying such Structure and the Lot upon which such Structure is placed, and stating that the plans and specifications have been approved and that such Structure complies with such plans and specifications. A copy of said Certificate shall be filed for permanent record with the plans and specifications on file with the ACC.

(b) Any Certificate of Compliance issued in accordance with the provisions of this Section shall be prima facie evidence of the facts therein stated; and as to any purchaser or encumbrancer in good faith and for value, or as to any title insurer, such certificate shall be conclusive evidence that all Structures on the Lot comply with all the requirements of this Article, provided, however, that the Certificate shall in no way be construed to certify the acceptability, sufficiency or approval by the ACC of the actual construction of Structures or of the workmanship, or to represent or warrant to anyone the quality, function or operation of the Structures or of any construction, workmanship, engineering, materials or equipment.

The issuance of the Certificate shall in no way be construed to certify to any party that the Structures have been built in accordance with any applicable rule or regulation.

5.13 Fees. The ACC may impose and collect a reasonable and appropriate fee to cover the cost of review of plans and of inspections

performed pursuant to Section 5.10. The fee shall be established from time to time by the ACC and published in the Design Standards.

5.14 Nondiscrimination by ACC. The ACC shall not discriminate against any applicant requesting its approval of plans and specifications because of such applicant's race, color, sex, religion, age or national origin. Further, the ACC in the exercise of its powers granted pursuant to this Declaration shall not take any action the intent or effect of which is to discriminate against persons of a particular race, color, sex, religion, age or national origin.

5.15 Disclaimer as to ACC Approval. Plans and specifications are not reviewed for engineering or structural design or quality of materials, and by approving such plans and specifications neither the ACC, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the ACC, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these Restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every person who submits plans or specifications and every Owner agrees that he will not bring any action or suit against Declarant, the Association, the ACC, the Board, or the officers, directors, members, employees, and agents of any of them to recover any such damages and hereby releases, remises, quit-claims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

5.16 Image Committee. The ACC shall establish an image committee (the "Image Committee") which shall be composed of one (1) member of the ACC and two (2) Members of the Association, other than Declarant, which shall be responsible for the review and approval process for alterations and modifications of existing Structures as required pursuant to Paragraph 5.06, and shall have such other responsibilities as may be delegated to the Image Committee by the ACC, provided, however, in all instances the ACC shall have the right to veto any action or decision of the Image Committee.

(iv) the planting or re-planting of hedges, shrubbery, bushes, trees, flowers and plants of any nature.

(b) No Owner shall have any right to use any easement created by the Declarant in, on or over any portion of the Property unless such easement has been assigned by the Declarant to the Association.

7.03 Entry. The Declarant and its employees, agents, successors and assigns, shall have the right at all reasonable times to enter upon all parts of each Easement Area for any of the purposes for which such Easement Area is reserved, without being deemed to have committed a trespass or wrongful act solely by reason of such entry and the carrying out of such purposes, provided the same are done in accordance with the provisions of this Section. In the event of any conflict between such laws, rules or regulations and the covenants, restrictions and easements created or imposed by Declaration, the most restrictive provision shall govern and control.

7.05 Easement for Lake Maintenance. Declarant hereby expressly reserves a perpetual easement for the benefit of Declarant and its successors and assigns, across such portions of the Development, determined in the sole discretion of Declarant (or its successors and assigns), as are necessary to allow for the maintenance of a lake(s), lakebed(s) and shoreline(s), if any, which are within the Development or which are made available for the use and enjoyment of the Owners and Occupants within the Development. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment of the property adjacent to the lake(s), reasonable steps shall be taken to protect such property, and damage shall be repaired by the person or entity causing the damage at its sole expense. 8.03 Specific Performance. Nothing contained in this Declaration shall be deemed to affect or limit the rights of the Declarant, the Association or any Owner to enforce the Restrictions by appropriate judicial proceedings or to recover damages. However, it is hereby declared that it may be impossible to measure accurately in money the damages which will accrue to a beneficiary hereof, its transferees, successors or assigns, by reason of a violation of, or failure to perform any of the obligations provided by, this Declaration; and therefore, any beneficiary hereof shall be entitled to relief by way of injunction or specific performance, as well as any other relief available at law or in equity, to enforce the provisions hereof.

8.04 Collection of Assessments and Enforcement of Lien.

(b) As an additional remedy, but in no way as a limitation on the remedies, if any assessment, interest, cost or other charge is not paid as required by this Declaration, each Owner hereby grants to the Association and its assigns the following irrevocable power of attorney: To sell the said Lot or Lots subject to the lien at auction, at the usual place for conducting sales at the Court House in Cobb County, Georgia, to the highest bidder for cash, after advertising the time, terms and place of such sale once a week for four weeks immediately preceding such sale (but without regard to the number of days) in the paper in which the Sheriff's advertisements for Cobb County, Georgia are published, all other notice being hereby waived by each Owner, and the Association or any person on behalf of the Association, or assigns, may bid and purchase at such sale and thereupon execute and deliver to the purchaser or purchasers at such sale a conveyance of said property in fee simple, which conveyance shall contain recitals as to the happenings of the default upon which the execution of the power of sale herein granted depends, and each Owner hereby constitutes and appoints the Association and assigns, the agent and attorney in fact of each Owner to make such recitals, and hereby covenants and agrees that the recitals so to be made by the Association, or assigns, shall be binding and conclusive upon the Owner whose property is the subject matter of such sale, and the heirs, executors, administrators and assigns of such Owner, and that the conveyance to be made by the Association or assigns, shall be effectual to bar all equity of redemption of such Owner, or the successors in interest of such Owner, in and to said Lot or Lots, and the Association or assigns shall collect the proceeds of such sale, and after reserving therefrom the entire amount of assessment, interest, cost or other

charge due, together with all costs and expenses of sale and fifteen percentum of the aggregate amount due for attorneys' fees, shall pay any excess to such Owner, or to the heirs or assigns of such Owner as provided by law. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise and are granted as cumulative to the remedies for collection of said indebtedness provided by law.

EACH OWNER, BY ACCEPTANCE OF A DEED CONVEYING A LOT SUBJECT TO THIS DECLARATION, WAIVES ANY RIGHT WHICH OWNER MAY HAVE UNDER THE CONSTITUTION OR THE LAWS OF THE STATE OF GEORGIA OR THE CONSTITUTION OR THE LAWS OF THE UNITED STATES OF AMERICA TO NOTICE OR TO A JUDICIAL HEARING PRIOR TO THE EXERCISE OF ANY RIGHT OR REMEDY PROVIDED BY THIS DECLARATION AND OWNER WAIVES OWNER'S RIGHTS. 8.05 No Waiver. The failure of the Declarant, the Association, or the Owner of any Lot, his or its respective legal representatives, heirs, successors and assigns, to enforce any Restrictions herein contained shall in no event be considered a waiver of the right to do so thereafter, as to the same violation or breach or as to any violation or breach occurring prior or subsequent thereto.

ANNEXATION AND FUTURE DEVELOPMENT

10.1 Annexation. For so long as Declarant has authority to appoint and remove Directors and Officers of the Association, additional real property may be annexed to the Property by the Declarant without the consent of the Class A Members. Such annexation shall be accomplished by filing in the Office of the Clerk of the Superior Court of Cobb County an approved subdivision plat describing the real property to be annexed to the Property and by including on such subdivision plat a statement that expressly sets forth the Declarant's intention to make such annexed real property subject to the provisions of this Declaration; or filing an amendment to the Declaration which has been consented to by the owners of the real property to be annexed if such real property is owned by someone other than Declarant. At the expiration of Declarant's right to appoint and remove Directors and Officers of the Association, no real property may be annexed to the Property unless such annexation is approved by a two-thirds (2/3) vote of the Members of the Association who are present in person or by proxy and voting at a meeting of Members duly held in accordance with the provisions of the By-Laws of the Association.

10.2 Future Development. Notwithstanding any other provision contained herein to the contrary, and subject to applicable zoning regulations, Declarant shall have the right, for so long as Declarant has the authority to appoint and remove Directors and Officers of the Association, to annex real property according to the procedure set forth in Section 10.1, which real property may be developed as commercial property, apartment complexes, condominiums, or attached townhomes. At the time of such annexation, Declarant shall determine, on an equitable basis, the proportional share of the assessments payable by and the number of votes allocated to such property, which determination will be based upon the degree to which the Occupants of said property have the right to use and are benefitted by the Common Areas. Such determination shall be made by amendment to this

Declaration, which shall not require the approval of any Member or third party. Notwithstanding the foregoing, in no event shall the Owner(s) of such property annexed pursuant to this Section 10.2 be entitled to more than one (1) vote per 2,000 feet of enclosed space, with respect to commercial property, or one (1) vote per 4 apartment units, with respect to an apartment complex.

ARTICLE XI
MISCELLANEOUS

11.01 No Reverter. No restriction herein is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

11.02 Severability. A determination by a court that any provision hereof is invalid for any reason shall not affect the validity of any other provision hereof.

11.03 Headings. The headings of the Articles and Section hereof are for convenience only and shall not affect the meaning or interpretation of the contents of this Declaration.

11.04 Gender. Throughout this Declaration, the masculine gender shall be deemed to include the feminine and neuter, and the singular, the plural, and vice versa.

11.05 Notices. All amendments, notices, requests, objections, waivers, rejections, agreements, approvals, disclosures or consent of any kind made pursuant to this Declaration, whether made by the Declarant, the Association, the ACC, the Owner, or any other person, shall be in writing. All such writings shall be sufficient only if deposited in the United States Mail, with sufficient postage, and sent to the following addresses:

(a) Declarant: Burnt Hickory Lakes Limited Partnership
Alston & Bird
100 Galleria Parkway
Suite 1200
Atlanta, Georgia 30339
Attn: Sheri S. Labovitz, Esquire

(b) Owners: Each Owner's address as registered with
the Association in accordance with the
By-Laws.

Any written communication transmitted in accordance with this Section 11.05 shall be deemed received on the third (3rd) day following the day such written notice is deposited in the United States Mail.

11.06 No Liability. Declarant has, using best efforts and all due diligence, prepared and recorded this Declaration so that each and every Owner

shall have the right and the power to enforce the terms and provisions of this Declaration against every other Owner. However, in the event that this Declaration is, for any reason whatsoever, unenforceable by an Owner (or any other person) in a court of law or otherwise, Declarant shall have no liability of any kind as a result of such unenforceability, and each and every owner, by acceptance of a deed conveying a Lot, acknowledges that Declarant shall have no such liability.

11.07 Insurance.

(a) At all times during the term of this Declaration, the Association, its successors and assigns, shall be required to keep any and all recreational facilities and any other improvements located on the Common Property fully insured by a reputable insurance company authorized to transact business in the State of Georgia with (i) fire, vandalism, malicious mischief and extended coverage insurance in an amount adequate to cover the cost or replacement of such improvements in the event of loss of any and/or all of such improvements, fixtures and contents thereof; and (ii) public liability insurance in such amounts as shall be determined by the Board of Directors as appropriate for the type of recreational activities which shall be allowed on the Common Property. Any such policies of insurance shall require that the certificate holders and insured be given thirty (30) days prior written notice of any cancellation of such policies.

(b) Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty.

Any damage or destruction shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of the total Association vote entitled to vote thereon, and, so long as the Declarant has the right to appoint and remove directors, the Declarant, otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed one hundred and twenty (120) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not

sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's Members, levy a special assessment. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited for the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community in a neat and attractive condition.

(c) The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the persons who are responsible hereunder for maintenance of the damaged or destroyed property.

(d) In addition to the coverage described hereinabove, the Association shall obtain such additional amounts and types of insurance as may be required from time to time, by either the Veterans Administration or Federation Housing Administration, their successors and assigns, for similar type residential subdivision communities.

ARTICLE XII
Mortgagee Provisions

The following provisions are for the benefit of holders of first mortgages on Residences in the Development. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

12.01 Notices of Action. An institutional holder, insurer, or guarantor of a first mortgage, who provides written request to the Association (such request to state the name and address of such holder, insurer, guarantor and the Residence number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Development or which affects any Residence on which there is a first mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Residence subject to the mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first mortgage, upon request, is entitled to written notice from the Association of

any default in the performance by an Owner of a Residence of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of eligible mortgagees.

12.02 Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first mortgagees or at least two-thirds (2/3) of the total Members of the Association vote entitled to vote thereon consent, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Property which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Property shall not be deemed a transfer within the meaning of this subsection);

(b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Residence;

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Residences and of the Common Property (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);

(d) fail to maintain insurance, as required by this Declaration; or

(e) use hazard insurance proceeds for any Common Property losses for other than the repair, replacement, or reconstruction of such property.

First mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Property and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

12.03 No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first mortgagee of any Residence in the cases of

distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

12.04 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any mortgage encumbering such Owner's Residence.

12.05 Amendment by Board. Should the Veterans Administration, the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

12.06 Veterans Administration Approval. As long as the Declarant has an option unilaterally to subject property to this Declaration as provided in Article X, the following actions shall require the prior approval of the Veterans Administration so long as the Veterans Administration is guaranteeing any mortgage in the Community: annexation of additional property to the Community, except for annexation by Declarant in accordance with Article X, pursuant to a plan of annexation previously approved by the Veterans Administration; dedication of Common Property to any public entity; and material amendment of the Declaration, By-Laws or Articles of Incorporation.

12.07 Applicability of Article XII. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Georgia law for any of the acts set out in this Article.

12.08 Failure of Mortgagee to Respond. Any mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

ARVIDA COMMUNITITES
SOUTH ATLANTIC DIVISION
ENFORCEMENT PROCEDURE

1. The Architectural Control Committee ("ACC") shall inform Community Club Management, Inc. ("CCM") of a violation of the restrictive covenants under the applicable Declaration, requesting that CCM inform the resident of such violation in order to commence the procedure set forth below.

2. CCM shall send a letter to the resident demanding that the resident cease and desist from the alleged violation. The letter shall specify:

(a) the alleged violation;

(b) the action required to abate the violation; and

(c) a time period of ten (10) days, during which the violation may be abated without further sanction (the Board may demand more immediate action if, in the Board's determination, the violation poses a danger to safety or property).

In most instances the sanction will be a fine of \$25.00 per day until the violation is abated, or until the resident has requested and obtained, in appropriate circumstances, a waiver of the violation from the Board or has given to the Board reasonable assurances that the violation will be abated within an acceptable period of time (if the violation cannot be remedied immediately).

3. CCM shall attempt to telephone the resident to inform the resident of the letter from CCM and its contents.

4. If the residents fails to abate the violation or otherwise comply with the conditions set forth in paragraph 2 above, CCM will send another notice to the resident (followed up by a telephone call) notifying the resident as to when the fine will commence (usually fifteen (15) days after the mailing of the initial notice set forth in paragraph 2 above.

5. After the daily fine has accrued for thirty (30) or more days, CCM shall direct Arvida's attorneys to file a lien against the residence.

6. In addition to the foregoing remedies, and assuming that the resident has not remedied the violation within the 10-day period in accordance with paragraph 2 above, the Board may exercise the Right of Abatement as provided under the Declaration, pursuant to which the Board or its agents can

enter upon the resident's property and take corrective measures to remedy the violation, the cost of which would be borne by the resident.

7. In addition, at any time after the aforesaid 10-day period, the Board may request its legal counsel to institute legal proceedings against the resident for specific performance requiring abatement of the violation and/or collection of fines and/or the costs incurred by the Board in exercising the Right of Abatement.

8. All notices should be sent to the resident by certified and regular mail and are deemed received on the third day after mailing the letter.
