Section 1. Covenants and Restrictions

Each Owner, by the acceptance of a deed of conveyance, accepts this Declaration and all covenants, restrictions, conditions, reservations, liens and charges provided for therein, as well as the jurisdiction, rights and powers created by said Declaration. All rights, benefits, privileges, and obligations hereby conferred shall be deemed to be covenants running with the land and shall bind any person or persons having any interest or estate in the Property or any portion thereof. All rights, benefits, privileges and obligations so established and conferred shall accrue to such Owners or their heirs in like manner as though the provisions of this Declaration were stipulated at length in each and every deed of conveyance or contract for conveyance.

Section 2. Obligations of Members

All Owners, residents, tenants and/or their guests, and anyone employed by said Owners or their tenants, shall be obligated to abide by this Declaration, the By-Laws and Design Standards of the Association, and such policies and procedures as the Board of Directors may from time to time establish.

Section 3. Interpretation and Application

It shall be the sole responsibility of the Board of Directors to interpret the provisions of this Declaration, the By-Laws and Design Standards of the Association, and to apply them to specific circumstances. The Board shall have the sole authority to make such exceptions to its governing documents and policies as it may deem appropriate in any given circumstances at any given time.

ARTICLE VI ASSESSMENTS

Section 1. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of paying the costs and expenses of the Oakleigh Homeowners Association, including without limitation the maintenance and repair of all Common Areas and Facilities, and any improvements thereto, as well as the services provided by any contractors who may be employed by the Association, legal representation, the purchase of insurance, the payment of taxes, the cost of utilities, and all other expenses incidental to the operation and administration of the Association, including the establishment and maintenance of a reserve fund or funds.

Section 2. Annual Assessments. It shall be the duty of the Board prior to each Annual Membership Meeting to prepare a budget covering the estimated operating expenses of the Association for the coming year, including anticipated capital improvements and expenditures, as well as a reserve fund or funds of not less than 2% of the Assessments received. The Annual Assessment shall be divided equally among all Lots.

No later than fifteen (15) days prior to the Annual Membership Meeting the board shall provide each Owner with a copy of the proposed Budget together with notice of the amount of the Annual Assessment based on such Budget payable by the Owner during the coming year. Those eligible members of the Association in attendance at the Annual Membership Meeting, or at a meeting called for such purpose, either in person or by proxy, must approve the proposed Budget and Annual Assessment by a majority vote. Any increase in the Annual Assessment in excess of five (5) percent over the previous year's Annual Assessment shall require the approval of two thirds (2/3) of the Owners present in person or by proxy at a meeting called for such purpose.

In the event that the proposed Budget and Annual Assessment shall not be approved, the Budget and Assessment currently in effect shall continue in effect for the succeeding year, or until such time as a new Budget and Assessment have been approved as provided for above.

All Annual Assessments shall be due and payable on February 15 of each year. Any Assessments which remain unpaid as of the close of business on March 31 shall be deemed delinquent, and shall be subject to late fees and/or interest commencing on April 1 of that year.

Section 3. Special Assessments. In addition to the Annual Assessments authorized above, Special Assessments may be requested by the Board for specific purposes including, but not limited to, capital improvements, repairs to the Common Areas and/or Facilities, the cost of legal representation, and other unanticipated expenses.

Notice of any request for a Special Assessment must be delivered to each Owner no later than fifteen (15) days prior to a Special Membership Meeting called for the purpose of voting on such Special Assessment. The Special Assessment must be approved by a two thirds (2/3) vote of those eligible members of the Association in attendance at said

Special Membership Meeting, either in person or by proxy. Special Assessments shall be divided equally among all Lots and shall be paid on such dates and in such manner as may be specified by the Board.

Section 4. Supplemental Assessments. In the event of mandated or extraordinary expenditures, which the Association is obligated to pay, and which cannot be covered by the current Budget and Annual Assessment the Board of Directors shall have the authority, after full disclosure of the reasons for said expenditures, to establish a Supplemental Assessment in an amount equal to such expenses. Any Supplemental Assessment shall be divided equally among all Lots.

Section 5. Specific Assessments. All expenses incurred or necessitated as a result of the actions of an individual Owner or a group of Owners, their guests or tenants, shall be assessed exclusively against the Owner or Owners responsible for such costs.

All expenses incurred for the exclusive benefit of an individual Owner or a group of Owners shall be assessed exclusively against the Owner or Owners benefited thereby.

Section 6. Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be expressly provided in such deed, shall be deemed to covenant and agree to pay to the Association: (i) Annual Assessments, (ii) Special Assessments, (iii) Supplemental Assessments, (iv) Specific Assessments, and/or (v) any late fees, fines and/or other charges and interest thereon that may be lawfully assessed against said Lot or Lot Owner, and the cost of collection thereof, including Court costs and reasonable attorney's fees actually incurred, as provided for in this Declaration.

All Assessments, late fees, interest, fines and other charges lawfully assessed against any Lot or Lot Owner as provided for in this Declaration, together with all Court costs and reasonable Attorney's fees actually incurred, shall, from the time such sums become due and payable, be a personal obligation of the Lot Owner and shall constitute a lien in favor of the Association on said Lot. Such lien shall be considered prior and superior to all other liens whatsoever, except (i) liens for ad valorem taxes on the Lot, (ii) the lien of any first priority mortgage on the Lot. The recording of this Declaration shall constitute record notice of the existence of a lien on any Lot, and no further recording of a lien for unpaid Assessments, late fees, fines or other charges shall be required.

Section 7. Non-payment of Assessments. Any Assessments which are not paid by the due date shall be deemed delinquent. A late fee and/or interest may then be assessed at a rate to be established by the Board of Directors. In such case the Association may take such action or actions against an Owner, including, but not limited to, the placement of a lien on the Owner's Lot and an action at law or in equity. The lien provided for in this section shall be in favor of the Association.

All costs incurred by the Association in securing payment of any delinquent Assessments, late fees, interest, fines and/or other charges, including Court costs and reasonable Attorney's fees actually incurred, shall be added to the amount of the

delinquent Assessment and shall be the personal obligation of the Owner and a lien against the Owner's Lot.

Each Owner, by his/her acceptance of a deed to a Lot, expressly vests in the Association, or its agents, the right and power to bring all actions against such Owner to enforce such Owner's personal obligation to pay delinquent Assessments, late fees, fines, interest and/or other charges, plus the cost of collection thereof, including Court costs and reasonable Attorney's fees actually incurred, and/or to foreclose the Association's lien as provided for in this Declaration; provided, however, that no action to foreclose the Association's lien shall be initiated unless the accumulated unpaid Assessments, late fees, interest, fines and/or other charges, plus the cost of collection thereof, including Court costs and reasonable attorney's fees actually incurred, or any combination thereof, shall reach or exceed the amount of ten thousand dollars (\$10,000).

No Lot Owner may waive, claim exemption from, or otherwise escape liability for the Assessment provided for herein for any reason whatsoever, including, but not limited to, non-use and enjoyment of his/her Lot or of the Common Areas and Facilities or any portion thereof, abandonment of his/her Lot, or renunciation of his/her membership in the Association.

Section 8. Statement of Outstanding Assessments. The Association shall, within ten (10) business days of the receipt of a written request, furnish to a Lot Owner a Statement of Outstanding Assessments, signed by an officer of the Association, or an authorized agent thereof, listing all outstanding, unpaid Assessments, late fees, fines and/or other charges and any interest thereon, plus the costs of collection, including Court costs and reasonable attorney's fees actually incurred which is owed to the Association by said Lot Owner. A properly executed Statement of Outstanding Assessments for a specified Lot shall be binding on the Association as of the date of issuance. However, late fees, fines, interest, Court costs and legal fees shall continue to accrue thereafter so long as any outstanding Assessments remain unpaid.

Section 9. Receipt for Payment. The Association shall, within ten (10) business days of the receipt of a written request, furnish to an Owner a written receipt for any payments made by said Owner to the Association for Assessments, late fees, interest, fines and /or any other charges.

Section 10. Sale or Transfer of a Lot. The sale or transfer of a Lot shall not affect a lien for unpaid Assessments, late fees, interest, fines and/or other charges, plus the costs of collection thereof, including Court costs and reasonable attorney's fees actually incurred, nor shall it relieve the original Lot Owner of personal liability for any such unpaid obligations.

The purchaser of a Lot shall be jointly and severally liable with the seller thereof for all unpaid Assessments, late fees, interest, fines and other charges against the latter up to the date of conveyance, without prejudice to the purchaser's right to recover from the seller any such amount paid by the purchaser.

Section 11. Procedures for Implementation. Procedures for the implementation and enforcement of the provisions of this Article shall be set forth in the By Laws of the Association.

ARTICLE VII COMMON AREAS & FACILITIES

Section 1. Title to the Common Areas and Facilities. Title to the Common Areas and Facilities shall be held in the name of the Oakleigh Homeowners Association, Inc.

Section 2. Member's Right to Use and Enjoyment of the Common Areas and Facilities. The Common Areas and Facilities shall be reserved for the exclusive use and enjoyment of Oakleigh Lot Owners who are members in good standing of the Association, their family members, guests and/or tenants. Subject to the provisions herein, every member of the Association shall have a right to the use and enjoyment of the Common Areas and Facilities. Such right shall be appurtenant to and may not be separated from ownership of a Lot, and shall pass automatically to an Owner's successor in title to the Lot, subject to the right and authority of the Board of Directors to adopt and publish rules and regulations governing the use of the Common Areas and Facilities.

The Common Areas and Facilities shall not be made available to non-residents or to any outside organization or group, except as invitees of one or more Oakleigh Lot Owners/residents, who shall assume full responsibility and liability for their behavior while on Oakleigh property and for their compliance with all rules, regulations and policies governing the use of the Common Areas and Facilities.

The Common Areas and Facilities shall not be used for commercial, political or religious purposes.

Section 3. Delegation of Right of Use and Enjoyment.

Any Owner may delegate, in accordance with the Association's By-Laws, his/her right of use and enjoyment of the Common Areas and Facilities to the members of his/her family, tenants, and/or guests, subject to such regulations and fees as may be established from time to time by the Association.

Section 4. Rights of the Association. The Association shall have the right and authority to:

(a) Make such repairs, improvements and/or alterations upon and within the Common Areas and Facilities as the Board of Directors may from time to time deem necessary and/or appropriate. The Board shall have the sole authority and discretion to make such repairs as it may deem necessary. Proposed capital projects for the improvement and/or modification of the Common Areas and/or Facilities shall be included in the Board's annual Budget proposal subject to approval by a majority of the eligible members present and voting, in person or by proxy, at Annual Membership Meeting in accordance with the procedures set forth in the Association's By-Laws.

(b) Borrow money for the purpose of improving the Common Areas or any portion thereof, or for the construction, repairing or improving of any facilities located thereon, or to be located thereon; and, upon the approval of two-thirds (2/3) of the membership, to give as security a mortgage upon all or any portion of the Common Area and/or Facilities. The lien and encumbrance of any such mortgage, however, shall be subject and subordinate to all rights, interest, easements, and privileges herein established for the benefit of any and all Owners;

(c) Dedicate, transfer or sell all or any portion of the Common Areas and/or Facilities for such purposes and subject to such conditions as may be agreed to by the written consent of two-thirds (2/3) of the membership.

However, except for a mail order business, no retail business involving the sale of a product or service on the premises shall be permitted, and, except for delivery vehicles, no business which involves non resident vehicles regularly coming into the community shall be permitted. This shall not preclude the management of a business from a home office, so long as such business does not involve customers or clients regularly coming to the property to purchase products or services.

Signs advertising such business activities shall be prohibited.

Section 11. Commercial, Recreational Vehicles and Personal Vehicles

(a) No commercial vehicles, materials or equipment may be parked or stored on any Lot, except for one (1) business vehicle (no larger than a van or pick up truck) which is used exclusively by the Resident thereof.

All accessory structures shall be located behind the dwelling as it fronts on the street located at the front, and in the case of a corner Lot, at the side of the Lot.
